FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 16TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a.	d.	Per Company's Rupee for Advances made at .....	Bengal.	
		Ditto .....	Ditto .....	Madras.
		Ditto .....	Ditto .....	Bombay.
		Per Spanish Dollar, Ditto.....	China.	

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner, and at such times as they may see fit, to call the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom the Goods were received, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, in whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

Majesty, or by the persons duly appointed

"by them, the number of Cheats so applied for, provided that such supply shall not exceed three hundred Cheats in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Cheats herein before-mentioned. The requisitions for Opium as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

9. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character above-mentioned, unless he shall tender at the time a Deposit either in Cash or Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time herein before-mentioned for making such Deposit as aforesaid; and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium, for and on behalf of the said East India Company.

## PORT WILLIAM.

FINANCIAL DEPARTMENT, the 15th JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834:

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the India Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.	For Company's Rates for Advances made at	Bengal.
	Ditto	Ditto Madras.
	Ditto	Ditto Bombay.
	For Spanish Dollar, Ditto	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment, and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advance made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, and Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advance made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

## FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 15TH JUNE, 1836.

NOTICE is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at .....	Bengal.
Ditto .....	Ditto .....
Ditto .....	Ditto .....
Ditto .....	Ditto .....
Per Spanish Dollar, Ditto .....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued: the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

FORT WILLIAM,  
GENERAL DEPARTMENT, THE 26TH JUNE 1832.

ALL Public Officers of Government sending Advertisements to the Calcutta Gazette for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,  
FINANCIAL DEPARTMENT, THE 15th JUNE, 1830.

NOTICE is hereby given, that under Instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England as-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at .....	Bengal.
Ditto .....	Madras.
Ditto .....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate, to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

WILLIAM REX.

William the Fourth, by the Grace of God of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith. To all to whom these presents shall come, Greeting. Whereas the Commissioners of our Treasury have represented unto us that it hath been made appear to them by a Report of our Procurator General that, at the commencement of the year 1821, numerous unprovoked aggressions committed by the Burmese upon the South East Frontier of the Possessions of the United Company of Merchants of England Trading to the East Indies, had induced the Supreme Government in India, to decide upon attacking the Burmese in their own Country, and that an Expedition was accordingly formed, consisting of our Land Forces, and the Land Forces raised and paid by the said United Company, and of our Ships and Vessels of War, and the Ships and Vessels of War of the said United Company, under the Command of Major General Sir Archibald Campbell, G. C. B., and Commodore Grant of our Ship *Liffy*, then Commanding our Naval Force in India, that during the Hostilities or Warfare carried on by the said Expedition under the Command of the said Major General Campbell and Commodore Grant, and during certain periods afterwards of his Successor or Successors in such Command, a quantity of Booty and Plunder, consisting of Ordnance, Arms, Artillery, Stores, and Ammunition, Grain and a number of Bells, (of which a part were afterwards returned to the King of Ava as hereinafter set forth), and other Effects were taken, of which the following Schedule or Account has been rendered to our said Commissioners; that is to say,

	Sa. Rs.
Sum received into the Treasury in India, .....	18,041 0 0
Amount of valuation of the Military Board in Bengal, including the Bells returned, .....	4,09,612 0 0
	5,17,653 0 0

exclusive of the Bells and other property destroyed in order to prevent their falling again into the Enemy's hands, of which no authentic account has yet been furnished. And Whereas it hath been further represented unto us, that the said Booty and Plunder do of right belong to us, in virtue of our Royal Prerogative, and that the said Booty and Plunder should be given and granted in such manner as to us should seem meet and just: And Whereas our said Commissioners have further represented unto us that an application hath been made to them on the part and behalf of the said United Company of Merchants of England Trading to the East Indies, praying, for the reasons therein set forth, that they would be pleased to recommend unto us to grant to the said Company all such Booty and Plunder, Stores, Provisions and Things, as were taken during the said War as to one-half part of the Value thereof for the proper use of the said Company, and as to the other half part thereof, for the use of the Commanders, Officers and Men belonging to the Army, Navy, and Marine, employed in the said War; and that we would give such directions as to the appropriation and distribution of the said Booty and Plunder, among such Forces as we shall see fit, and that an application hath also been made to our said Commissioners by the said Major General Sir Archibald Campbell, on behalf of himself and the Officers and Men under his Command, praying our said Commissioners to recommend that we would be pleased to grant the whole amount of the said Booty and Plunder to the Forces engaged, and to appoint the said Major General Sir Archibald Campbell a Trustee for the proportion which we may graciously be pleased to grant to the Forces under his Command, and that the portion of the Booty belonging to the Land Forces employed may be directed to be distributed according to the Rule heretofore used and observed by the Army in India, and that the proportion belonging to the Naval Forces may be distributed amongst the Officers and Men agreeably to our Proclamation, and to the practice of the Navy in cases where the Ships or Vessels of the said United Company share with them, and further that the said Booty may be classified for division into certain periods to embrace a just

and equitable consideration to the Forces employed; and Whereas our said Commissioners have further represented unto us that it had been made appear to them that part of the Bells taken as Booty as aforesaid had been returned by the authority of the Bengal Government to the King of Ava, and have humbly represented unto us that such Bells have been properly treated by the said Bengal Government as not liable to Seizure as Booty, and that considering the Religious prejudices of the Native Inhabitants of India, it would not be advisable to encourage the idea that these and similar Articles are proper objects of Prize in Indian Warfare; but that nevertheless considering the very small amount of the Booty captured as compared with the number of Persons who will be entitled to share thereof, the great advantages derived by the East India Company from the result of these Hostilities and the anxious desire expressed by them that the combined force should receive every advantage to which they can be considered equitably entitled:—Our said Commissioners would recommend to the said United Company to allow a sum equal in amount to the estimated value of the Bells so returned as aforesaid, viz. 1,40,000 Sicca Rupees, and our said Commissioners have further represented unto us that a recommendation having been made by them accordingly, the said Company had signified their assent, and that they did not object to such sum being taken as the value of the said Bells. We taking the premises into our Royal consideration, are graciously pleased to give and grant and do hereby give and grant the said Captured Booty and Plunder, or the produce or value thereof, as set forth in the Schedule or Account before stated, including the estimated value of the said Bells so returned by the Authority of the Bengal Government to the King of Ava, unto the said United Company of Merchants of England trading to the East Indies, or to such person or persons as they shall appoint to receive the same, upon the Trusts and on the Conditions following: that is to say, upon trust, to retain and apply one Moiety thereof to the proper use of the said Company, and as to the remaining or other Moiety thereof, in trust, to distribute, the same amongst our Land and Naval Forces, and the Land and Naval Forces of the United Company of Merchants of England trading to the East Indies, employed in the said Expedition according to the following Scheme or Schedule.

The whole of such Moiety being divided into eight equal parts.

One-Eighth.

To the Lieutenants and Quarter Masters of Marines, and Lieutenants, Ensigns and Quarter Masters of Land Forces, and the Boatswains, Gunners and persons serving in the said Naval Forces and other descriptions of Persons, entitled by our said Proclamation, or according to the usage prevailing in India with respect to such Land and Naval Forces to share with them,..... To the Trumpeters, Quarter Gunners, Seamen, Marines and Soldiers, and other descriptions of Persons serving in the said Land and Naval Forces, entitled by our said Proclamation, or according to the usage prevailing in India with respect to such Land and Naval Forces to share with them,..... Two-Eighths.

And We are graciously pleased to direct that the Portion of the said Booty and Plunder so belonging to the said Land Forces employed in the said Expedition shall be distributed between the Commander in Chief, Officers and Privates composing the same, according to the Rule heretofore used and observed by the Army in India, under the aforesaid Scheme or Schedule. And that the Portion of the said Booty and Plunder so as aforesaid belonging to the Naval Forces employed in the said Expedition be distributed amongst the Commander in Chief, Flag and other Officers and Men belonging to the said Naval Forces employed in the said Expedition, agreeably to our Proclamation aforesaid and to the practice of our Navy, respecting the Ships or Vessels in the Service of the said United Company of Merchants of England trading to the East Indies, sharing with them. And We are graciously pleased to order and direct that in case any doubt shall arise, respecting the Claims to share in the distribution of the Moiety hereby granted to the Captors, or respecting any Demand upon the said Captured Booty, the same shall be determined by the said United Company of Merchants of England trading to the East Indies, or by such person or persons to whom they shall refer the same, which determination thereupon made shall, with all convenient speed, be notified in writing to the Commissioners of our Treasury, and the same shall be final and conclusive to all intents and purposes, unless within three Months after the receipt thereof at the Office of the Commissioners of Our Treasury, We shall be pleased otherwise to order, hereby reserving to ourselves to make such order therein as to us shall seem fit.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

FORT WILLIAM.

JUDICIAL AND REVENUE DEPARTMENT.

THE 30TH DECEMBER, 1893.

## NOTIFICATION.

The periodical Reports on the Official Characters, Qualifications, and Conduct of all the Covenanted Officers of Government in the Judicial and Revenue Department, called for under the Resolutions of the Right Honorable the Governor General in Council, dated the 29th of January, 1891, having been discontinued, under the Orders of the Honorable the Court Directors, by the Resolutions of the Right Honorable the Governor General of India in Council, dated the 27th of June last, and published in the *Gazette* of the 14th of July following, it has become necessary, under the Orders of the Supreme

\* In obedience to the Hon'ble Court's instructions, it will be publicly notified that those Reports shall henceforth be discontinued; but I am, at the same time, directed to state that His Lordship in Council is strongly impressed with the expediency of adopting all methods short of the systematic personal Reports which have been interdicted by the Court, for the purpose of bringing to notice the manner in which every Public Office is conducted, in order that Officers distinguished by merit may be brought forward and promoted, and that suitable notice may be taken of the conduct of those who are negligent and incapable.

The Right Hon'ble the Governor of Fort William in Bengal is requested, therefore, in communication with the Lieutenant Governor of the N. W. Provinces, to prescribe to controlling authorities in the several Departments of Government, an improved system of reporting the results of administration, or to issue such other instructions as to His Lordship may seem best calculated to promote the object contemplated by the system now discontinued, namely, that the promotion of the Service may be usefully and efficiently distributed, and its discipline and spirit upheld.

The following Rules, in amendment of those already prescribed for preparing Reports of the results of administration, have accordingly been proposed by the Right Honorable the Governor of Bengal, in communication with the Honorable the Lieutenant Governor of the N. W. Provinces, and have been approved by the Right Honorable the Governor General of India in Council: they are now promulgated for the information and guidance of all Officers in the Judicial and Revenue Department subject to the Orders of the Governor.

In hearing Appeals from the Zillah Courts, every Judge of the Court of Sudder Dewanny Adawlat shall note, in each case proceeds, any points that may strike him as affecting materially the character of the Court below, and whenever, at the conclusion of an Appeal, any Judge may be of opinion that the Proceedings of such a Court have been either remarkably well, or remarkably ill conducted, it shall be his duty to make a note thereon for the consideration of the Court, collectively, at their English sitting. The Court will determine in what manner these notes may best be made available in the preparation of their Annual Report, for the expression of their collective opinion on the quality of the business performed by every Zillah Judge.

The Court of Sudder Dewanny Adawlat is hereby required to make a Special Report on the subject of any Zillah, in which they may be of opinion that the state of Civil business is such as to make it desirable for the sake of the public interests, that measures should be immediately taken to remedy the evil. In cases of less importance, it shall be the duty of the Court to notice in their Annual Report any serious defect which they may believe to exist in the administration of Civil Justice in any District under their jurisdiction.

In addition to the number of Cases decided by each Zillah Judge, the number of miscellaneous Judicial Orders passed by him, and the number of days employed in Sessions business, which information is now given in the Annual Report of the Court of Sudder Dewanny Adawlat, that Report shall in future show the number of Appeals, Regular and Special, lodged against such Decisions and miscellaneous Orders, the result of all the Appeals of a like nature from each Judge decided on during the course of each year, and the number of days which each Judge sat for the transaction of Civil business.

Corresponding information, with respect to the Proceedings of the several Session Judges, must be embodied in the Annual Reports submitted to Government by the Court of Sudder Nizamut Adawlat on the administration of Criminal Justice; and a corresponding method for laying the necessary information before that Court, collectively, must be adopted.

It shall be the duty of the several Commissioners of Circuit to report, in their Half-yearly Police Returns, their opinions on the general efficiency of the Police of each District under their Superintendence, and on the manner in which the various business in this Department has been performed by each of the Officers among whom it is distributed. It will also be the duty of each Commissioner, to notice prominently in those Reports the extent to which the services of the Assistants to the Magistrates and Joint Magistrates in his Division have been employed, and the consequences of such employment, in order that the application and abilities of the several Officers in the Junior grades of the Service may be brought distinctly under the view of the Government.

It will be the duty of the Sudder Board of Revenue, immediately upon the close of every Bengal and Fuzili year, to submit to Government a Statement of all outstanding arrears of Revenue in every Bengal or Fuzili District, with a note of the proportion per cent. which such arrears may bear to the Jumma, in each case, and to remark, where necessary, in what degree the result is attributable to the conduct of the Collector or Deputy Collector in each District.

Until the completion of all Resumption and Settlement business, the Annual Division Reports required from the Sudder Board of Revenue, showing the business that has been done in those Departments during the past year, and the plan of operations for the approaching cold season, will necessarily be continued. In these Reports, as far as those particular duties are concerned, the Sudder Board of Revenue are hereby required to represent every case in which the conduct of the Officers employed has been distinguished by zeal and discretion, or by the contrary faults; and to call upon the Commissioners and Collectors under them, to furnish them with all Statements of the allotment of work to their Assistants, and with all the other materials that may be necessary to enable them satisfactorily to perform the duty above required of them.

It is hereby declared that it is the duty of the Sudder Courts and Board, of the Commissioners, of the Collectors and Deputy Collectors, and of the Magistrates and Joint Magistrates, to report to their immediate Superior every case in which they may be of opinion that a Covenanted Officer, subordinate to them, is decidedly disqualified to discharge efficiently the duties entrusted to him; and it is hereby notified to all such Functionaries that it is considered an essential part of their duty to make themselves acquainted with the manner in which their subordinate Officers perform their duties; and that they themselves will be held responsible for any mischievous consequences that may result from any inefficiency, bad habits, or serious errors of

conduct of those under them, that ought to have been known to them, unless they report the same for the information of their superiors.

In framing the Rules which have been above prescribed, the Right Honorable the Governor of Bengal has discharged the duty committed to him of improving, as far as possible, the established system for the control of the Civil administration; for ensuring to efficiency its just reward; and protecting the public interests from the consequences of incapacity or neglect. But he cannot allow the opportunity of promulgating the Rules to pass, without making known to the Civil Service in these Provinces the high satisfaction with which, since his arrival in India, he has observed the zeal, the justice, and the success, with which, with rare exceptions, they have applied themselves to the performance of their various and arduous functions. To their character and public spirit, more than to the operation of any formal system of supervision and control, he looks for a perseverance in the same meritorious exertions, and for a maintenance of the same careful regard, in their important and often delicate trusts, alike to public and to individual rights.

By Order of the Right Honorable the Governor of Bengal,

ROSS D. MANGLES,

*Secy. to the Govt. of Bengal.*

## FORT WILLIAM,

GENERAL DEPARTMENT, THE 26TH JUNE 1832.

**A**LL Public Officers of Government sending Advertisements to the *Calcutta Gazette* for publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

## FORT WILLIAM,

FINANCIAL DEPARTMENT, THE 18TH JUNE, 1836.

**NOTICE** is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in duplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at	Bengal.
Ditto	Madrass.
Ditto	Bombay.
Per Spanish Dollar, Ditto	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, or the Parties interested, or endorsed in their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the

amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

## FORT WILLIAM,

## JUDICIAL AND REVENUE DEPARTMENT,

THE 20TH DECEMBER, 1836.

## NOTIFICATION.

The periodical Reports on the Official Characters, Qualifications, and Conduct of all the Covenanted Officers of Government in the Judicial and Revenue Department, called for under the Resolutions of the Right Honourable the Governor General in Council, dated the 29th of January, 1834, having been discontinued, under the Orders of the Honourable the Court of Directors, by the Resolutions of the Right Honourable the Governor General of India in Council, dated the 27th of June last, and published in the Gazette of the 2d of July following, it has become necessary, under the Orders of the Supreme

Government, cited in the margin,\* to provide some method that shall not be open to the objections that have been urged against a system requiring Superintending Officers to prepare, at stated intervals, an analysis of the official characters of all the Officers under them; but that shall, nevertheless, be sufficiently effective for the objects which that system was organized to obtain, and of which the importance has been fully admitted.

These objects are, firstly, the carrying into effect the principle, which has been specially enjoined, of "enforcing responsibility" in all superior functionaries for the incapacity, "or neglect, or wrongs committed by the Civil Servants under them, unless they are, as the cases may admit, either redressed, or reported to Government." Secondly, the bringing to the knowledge of Government all instances of eminent merit and qualifications amongst its Covenanted Officers of all ranks; so that the Government may be enabled, generally, to reward merit, to stimulate exertion, and to secure to the public Service the best qualifications available.

The following Rules, in amendment of those already prescribed for preparing Reports of the results of administration, have accordingly been proposed by the Right Honourable the Governor of Bengal, in communication with the Honourable the Lieutenant Governor of the N. W. Provinces, and have been approved by the Right Honourable the Governor General of India in Council: they are now promulgated for the information and guidance of all Officers in the Judicial and Revenue Department subject to the Orders of the Governor.

In hearing Appeals from the Zillah Courts, every Judge of the Court of Sudder Dewanny Adawlut shall note, as each case proceeds, any points that may strike him as affecting materially the character of the Court below, and, whenever, at the conclusion of an Appeal, any Judge may be of opinion that the Proceedings of such a Court have been either remarkably well, or remarkably ill conducted, he shall be his duty to make a note thereon for the consideration of the Court, collectively, at their English sitting. The Court will determine in what manner these notes may best be made available in the preparation of their Annual Report, for the expression of their respective opinion on the quality of the business transacted by every Zillah Judge.

The Court of Sudder Dewanny Adawlut is hereby required to make a Special Report on the subject of any Zillah, in which they may be of opinion that the state of Civil business is such as to make it desirable for the sake of the public interests, that measures should be immediately taken to remedy the evil. In cases of less importance, it shall be the duty of the Court to notice in their Annual Report any serious defect which they may believe to exist in the administration of Civil Justice in any District under their jurisdiction.

In addition to the number of Cases decided by each Zillah Judge, the number of miscellaneous Judicial Orders passed by him, and the number of days employed in Sessions business, which information is now given in the Annual Report of the Court of Sudder Dewanny Adawlut, that Report shall in future show the number of Appeals, Regular and Special, lodged against such Decisions and miscellaneous Orders, the result of all the Appeals of a like nature from each Judge decided on during the course of each year, and the number of days in which each Judge sat for the transaction of Civil business.

Corresponding information, with respect to the Proceedings of the several Session Judges, must be embodied in the Annual Reports submitted to Government by the Court of Sudder Nizamat Adawlut on the administration of Criminal Justice; and a corresponding method for laying the necessary information before that Court, collectively, must be adopted.

It shall be the duty of the several Commissioners of Circuit to report, in their Half-yearly Police Returns, their opinions on the general efficiency of the Police of each District under their Superintendence, and on the manner in which the various business in this Department has been performed by each of the Officers among whom it is distributed. It will also be the duty of each Commissioner, to notice prominently in these Reports the extent to which the services of the Assistants in the Magistrates and Joint Magistrates in his Division have been employed, and the consequences of such employment, in order that the application and abilities of the several Officers in the Junior grades of the Service may be brought distinctly under the view of the Government.

It will be the duty of the Sudder Board of Revenue, immediately upon the close of every Bengal and Fuzili year, to submit to Government a Statement of all outstanding arrears of Revenue in every Bengal or Fuzili District, with a note of the proportion per cent. which such arrears may bear to the Jumma, in each case, and to remark, where necessary, in what degree the result is attributable to the conduct of the Collector or Deputy Collector in each District.

Until the completion of all Resumption and Settlement business, the Annual Division Reports required from the Sudder Board of Revenue, shewing the business that has been done in those Departments during the past year, and the plan of operations for the approaching cold season, will necessarily be continued. In these Reports, as far as those particular duties are concerned, the Sudder Board of Revenue are hereby required to represent every case in which the conduct of the Officers employed has been distinguished by zeal and discretion, or by the contrary faults; and to call upon the Commissioners and Collectors under them, to furnish them with all Statements of the allotment of work to their Assistants, and with all the other materials that may be necessary to enable them satisfactorily to perform the duty above required of them.

It is hereby declared that it is the duty of the Sudder Courts and Board, of the Commissioners, of the Collectors and Deputy Collectors, and of the Magistrates and Joint Magistrates, to report to their immediate Superior every case in which they may be of opinion that a Covenanted Officer, subordinate to them, is decidedly disqualified to discharge efficiently the duties entrusted to him; and it is hereby notified to all such Functionaries that it is considered an essential part of their duty to make themselves acquainted with the manner in which their subordinate Officers perform their duties; and that they themselves will be held responsible for any mischievous consequences that may result from any inefficiency, bad habits, or serious errors of

conduct of those under them, that ought to have been known to them, unless they report the same for the information of their superiors.

In framing the Rules which have been above prescribed, the Right Honorable the Governor of Bengal has discharged the duty committed to him of improving, as far as possible, the established system for the control of the Civil Administration; for ensuring its efficiency its just reward; and protecting the public interests from the consequences of incapacity or neglect. But he cannot allow the opportunity of promulgating the Rules to pass, without making known to the Civil Service in these Provinces the high satisfaction with which, since his arrival in India, he has observed the zeal, the justice, and the success, with which, with rare exceptions, they have applied themselves to the performance of their various and arduous functions. To their character and public spirit, more than to the operation of any formal system of supervision and control, he looks for a perseverance in the same meritorious exertions, and for a maintenance of the same careful regard, in their important and often delicate trusts, alike to public and to individual rights.

By Order of the Right Honorable the Governor  
of Bengal.

No. 2371.

## PORT WILLIAM.

## JUDICIAL AND REVENUE DEPARTMENT.

THE 20th DECEMBER, 1896.

## NOTIFICATION.

The periodical Reports of the Judicial and Revenue Officers of Government in the Judicial and Revenue Department, called for by the Resolutions of the Right Honourable the Governor General in Council, dated the 22nd of January, 1894, having been discontinued, under the Orders of the Honourable the Court of Directors, by the Resolutions of the Right Honourable the Governor General of India in Council, dated the 27th of May last, and published in the Gazette of the 30th July following, it has become necessary, under the Orders of the Supreme

Government, issued in the month of August, to provide some method that shall not be open to the objections that have been urged against a system requiring Superintending Officers to prepare, at stated intervals, an analysis of the official characters of all the Officers under them: but that shall, nevertheless, be sufficiently effective for the objects which that system was organized to obtain, and of which the importance has been fully admitted.

Those objects are, firstly, the carrying into effect the principle, which has been repeatedly enjoined, of "enfolding responsibility" in all superior functions; "arising for the incapacity, or neglect, or wrong" committed by the Civil Servants under them, "unless they are, as the cases may admit, either redressed, or reported to Government." Secondly, the bringing to the knowledge of Government all instances of efficient merit and qualifications amongst the Government Officers of all ranks, so that the Government may be enabled, generally, to reward merit to stimulate efficiency and to secure to the public Service the best qualifications available.

The following Rules, in amendment of those already prescribed for preparing Reports of the results of administration, have accordingly been proposed by the Right Honourable the Governor of Bengal, in communication with the Honourable the Lieutenant Governor of the N. W. Provinces, and have been approved by the Right Honourable the Governor General of India in Council: they are now promulgated for the information and guidance of all Officers in the Judicial and Revenue Department subject to the Orders of the Government.

In hearing Appeals from the Zillah Courts, every Judge of the Court of Sadar Dewanny Adawlat shall, in each case, propose any points that may strike him as affecting materially the character of the Civil Service, and, whenever, at the conclusion of an Appeal, any Judge has an opinion that the Proceedings in such a Court have been either remarkably well, or remarkably ill conducted, he shall be at liberty to make a note thereon for the consideration of the Court, collectively, at their English sitting. The Court will communicate in the manner those notes may best be made available in the preparation of their Annual Report, for the expression of their collective opinion on the quality of the business transacted by every Zillah Judge.

The Court of Sadar Dewanny Adawlat is hereby required to make a Special Report on the subject of any Zillah, in which they may be of opinion that the state of Civil business is such as to make it desirable for the sake of the public interests, that measures should be immediately taken to remedy the evil. In cases of less importance, it shall be the duty of the Court to notice in their Annual Report any serious defect which they may believe to exist in the administration of Civil Justice in any District under their jurisdiction.

In addition to the number of Cases decided by each Zillah Judge, the number of miscellaneous Judicial Orders passed by him, and the number of days employed in Sessions business, which information is now given in the Annual Report of the Court of Sadar Dewanny Adawlat, that Report shall in future show the number of Appeals, Regular and Special, lodged against such Decisions and Miscellaneous Orders, the result of all the Appeals of a like nature from each Judge decided on during the course of each year, and the number of days in which each Judge sat for the transaction of Civil business.

Corresponding information, with respect to the Proceedings of the several Session Judges, must be embodied in the Annual Reports submitted to Government by the Court of Sadar Dewanny Adawlat on the administration of Criminal Justice; and a corresponding method for laying the necessary information before that Court, collectively, must be adopted.

It shall be the duty of the several Commissioners of Circuit to report, in their Half-yearly Police Returns, their opinions on the general efficiency of the Police of each District under their Superintendence, and on the manner in which the various business in that Department has been performed by each of the Officers among whom it is distributed. It will also be the duty of each Commissioner, to notice prominently in these Reports the extent to which the services of the Assistants to the Magistrates and Joint Magistrates in his Division have been employed, and the consequences of such employment, in order that the application and abilities of the several Officers in the Junior grades of the Service may be brought distinctly under the view of the Government.

It will be the duty of the Sadar Board of Revenue, immediately upon the close of every Bengal and Fautly year, to submit to Government a Statement of all outstanding arrears of Revenue in every Bengal or Fautly District, with a note of the proportion per cent. which such arrears may bear to the Summ, in each case, and to remark, where necessary, in what degree the result is attributable to the conduct of the Collector or Deputy Collector in each District.

Until the completion of all Resumption and Settlement business, the Annual Division Reports required from the Sadar Board of Revenue, showing the business that has been done in those Departments during the past year, and the plan of operations for the approaching next season, will necessarily be continued. In these Reports, so far as those particular duties are concerned, the Sadar Board of Revenue are hereby required to represent every case in which the conduct of the Officers employed has been distinguished by zeal and disinterestedness, or by the contrary; and to call upon the Commissioners and Collectors under them, to furnish them with all Statements of the allotment of work to their Assistants, and with all the other materials that may be necessary to enable them satisfactorily to perform the duty above required of them.

It is hereby declared that it is the duty of the Sadar Courts and Board of the Commissioners, of the Collectors and Deputy Collectors, and of the Magistrates and Joint Magistrates, to report in their immediate Superior every case in which they may be of opinion that a Government Officer, subordinate to them, is deserving of special notice. It is hereby notified to all such Government Officers that it is considered an essential part of their duty to make themselves acquainted with the manner in which their subordinate Officers perform their duties; and that they themselves will be held responsible for any inefficiency, bad habits, or serious errors of

conduct of those under them, that ought to have been known to them, unless they report the same for the information of their superiors.

In framing the Rules which have been above prescribed, the Right Honorable the Governor of Bengal has discharged the duty committed to him of improving, as far as possible, the established system for the control of the Civil administration; for ensuring to efficiency its just reward; and protecting the public interests from the consequences of inactivity or neglect. But he cannot allow the opportunity of promulgating the Rules to pass, without making known to the Civil Service in these Provinces the high satisfaction with which, since his arrival in India, he has observed the zeal, the justice, and the assiduity, with which, with rare exceptions, they have applied themselves to the performance of their various and arduous functions. To their character and public spirit, more than to the operation of any formal system of supervision and control, he looks for a perseverance in the same meritorious exertions, and for a maintenance of the same careful regard, to their important and often delicate trusts, alike to public and to individual rights.

By Order of the Right Honorable the Governor of Bengal,

ROSS D. MANGLEB,  
Secy. to the Govt. of Bengal.
